

National Summer CME

2026

Organized by Uveitis Society of India (USI) & Awadh Ophthalmological Society (AOS)

Case Corridor

First of Its Kind Display of Physical Posters of Challenging Cases in Uveitis

| Participant | Poster |
|--------------------------|--|
| Dr. Aditya Patil | Macular mayhem: bilateral serpiginous choroiditis in a 12-year-old Tanzanian girl |
| Dr. Ahana Sen | When Steroids Precede Antibiotics: Lessons from Ocular Syphilis |
| Dr. Alok Ranjan | Unilateral VKH |
| Dr. Anusha Chawla | Choroiditis in Presumed Ocular Tuberculosis |
| Dr. Arshee Ahmed | A Relentless Course: Pediatric VKH Beyond Control |
| Dr. Ashi Gupta | ARN: Escalation, Switch, and Buckle Success |
| Dr. Bikramjit P Pal | Endogenous ophthalmitis mimicking as Choroiditis |
| Dr. Deepthi S Prasad | Shadows in the Sclera |
| Dr. Eesha Shukla-Gokhale | CMV-Related Bilateral Uveitis in a Patient on Tofacitinib for Rheumatoid Arthritis |
| Dr. Ekta rai | Resolution of CSR-like Macular Detachment Following Anti-Tubercular Therapy in a Case of Choroidal Tuberculoma |
| Dr. Fathima Fahima A | A Post-Cataract Puzzle : Infection Or Inflammation? |

| Participant | Poster |
|---------------------------|---|
| Dr. Fidha Shirin PK | A Rare Ocular Masquerade: Vasoproliferative Retinal Tumor in Tuberous Sclerosis |
| Dr. Fidha Shirin PK | A Retinal Conundrum!! |
| Dr. Gaurav Kohli | Post-Fever Retinitis Is Not Always Self-Limiting |
| Dr. Gaurav Mohan Kohli | Surgically Induced Necrotising Scleritis or Infectious Scleritis? |
| Dr. Gaurav Mohan Kohli | Refractory Multifocal Surgically Induced Necrotising Scleritis After Microincision Vitrectomy in a Child with Juvenile Idiopathic Arthritis |
| Dr. Gaurav Mohan Kohli | PIRT and PORT in Ocular Toxoplasmosis |
| Dr. Ghulam Arshad | A Case of Behçet's Disease Mimicking Multifocal Choroiditis |
| Dr. Lagnajeeta Banerjee | Recurrent posterior scleritis associated with seronegative arthritis; an uncommon presentation |
| Dr. Manish Tandon | Paradoxical reaction with ATT |
| Dr. Namitha Rachel Mathew | A Towering Tubercular Subretinal abscess with Exudative Retinal Detachment |
| Dr. Nida Khan | Posterior Segment Involvement in HLA B27-related Uveitis |
| Dr. Perwez Khan | Suprachoroidal Steroid Delivery: A Novel and Effective Adjunct in Uveitic Cataract Surgery |
| Dr. Pranay Sah | A Shot That Awakened Infection |
| Dr. Pranjal Gupta | Initial presentation as nodular scleritis: Diagnostic dilemma between VKH and posterior scleritis |
| Dr. Raj Shri Hirawat | Uveitis in Flux – A Case of Perpetual Surprises |

| Participant | Poster |
|---------------------------|--|
| Dr. Ravi Nabh | A Calm Before the Storm: Panuveitis Relapse |
| Dr. Saarang Hansraj | Aggressive management of virulent acute onset post operative endophthalmitis |
| Dr. Saarang Hansraj | Uncovering Behcets Uveitis from Ocular Tuberculosis in an Endemic Country |
| Dr. Sanjana Vinod | Infective or Inflammatory: Navigating a Diagnostic and Therapeutic Dilemma in Panuveitis |
| Dr. Shilpi Dubey | Late postoperative Capsular Bag Distension Syndrome masquerading as postoperative uveitis. |
| Dr. Shilpi Kumari | Toxoplasma Scar in a Case of Eales Disease Managed with Intravitreal Clindamycin |
| Dr. Shreyas Temkar | Necrotizing Retinitis Presenting as Central Retinal Artery Occlusion |
| Dr. Subham Sinha Roy | The Shadow Behind the Veil : A Rare presentation of Syphilitic Chorioretinitis |
| Dr. Venugopal Varma Gudla | Optic Disc Edema in The Uvea Clinic: A Diagnostic Masquerade |
